# THE BATHROOM COLLECTION 2020

Prices listed are correct at time of going to print, and include VAT.  
All sizes are in mm unless stated otherwise. Terms & Conditions apply (see pg. 133)

### CLOSE-TO-WALL

Close-to-wall pans are designed so that the pan sides fit flush with the wall so that all pipework is hidden from view.

### BACK-TO-WALL

Back-to-wall (BTW) pans are designed to be fitted against a wall or WC unit with the cistern and pipework concealed.

### COMFORT HEIGHT

The same design as a standard (C/C) but the height has been raised, making it more comfortable for those who are taller, as well as the elderly.

# FREESTANDING

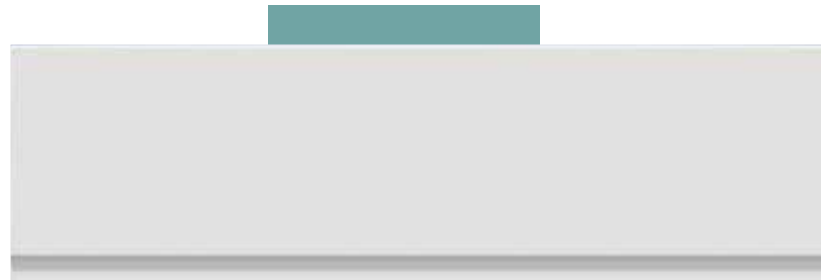

## BATHS

- ▶ Freestanding baths offer the most luxurious designs and help to create a striking focal point within your bathroom.
- ▶ Whatever your style, the clean lines of a square bath or the smooth curves of a rounded tub will complement the aesthetic of your room.
- ▶ Freestanding baths come with a 25 year guarantee, and feature encapsulated baseboard for greater strength & insulation.

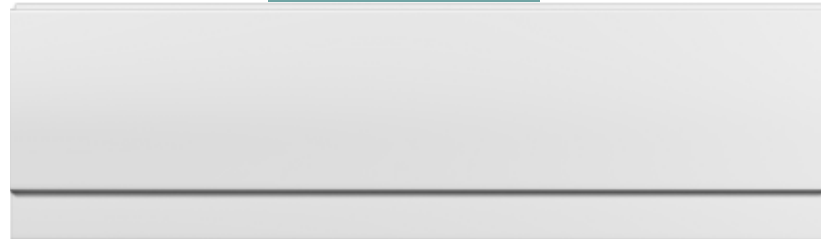

To complete your freestanding tub, add a freestanding bath shower mixer from our elegant brassware selection. See our brassware collection (starting page 82) for more information.

FITTED FURNITURE RANGE

## Fitted Horizon Furniture: How To Order

1. Measure your available space & select your combination of base units. Choose a colour, and either Standard (350mm) or Slimline (220mm) depth (see pages 65-68).
2. For each exposed end, if any (excluding tall units), choose an end panel of the same depth and matching colour. Alternatively, choose a matching infill panel to cover any small gaps between base units and their adjacent wall (see page 70).
3. Select a colour-matching plinth (page 68) to hide the supplied adjustable feet.
4. If required, select your combination of wall units (see page 67). These are all 220mm deep and are suitable for both 350mm and 220mm depth base units. A colour matching end panel is not required for wall units.
5. Choose your required quantity, style and size of handle for your units (see page 81).
6. Choose your worktop length, colour and depth (see pages 80 & 81).
7. Choose your semi recess basin (see page 22). Please note only the slimline basin (HOR5521B) is suitable for the slimline worktop (220mm).
8. Matching bath panels are available (see page 70). Don't forget to order your Back-to-Wall Pan (BTW), concealed cistern and mono basin mixer.

All Horizon units are  
Water-Resistant

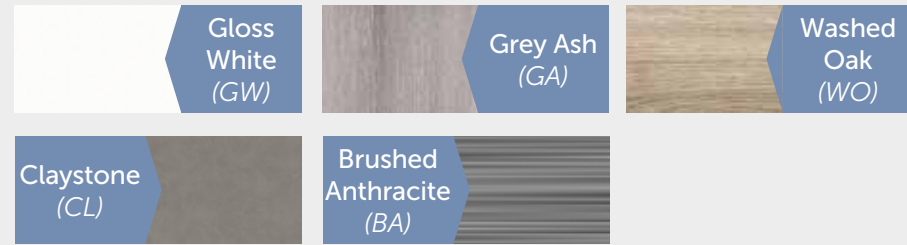

- ▶ All Gloss White (GW) units have a white carcass.
- ▶ The other 4 colours come with a natural grey carcass.

## TOWEL RAILS

### Chrome Rails

#### 22mm Straight Rail

- ▶ A straight chrome radiator provides a more sleek and modern finish than its equivalent white rail, for only a small difference in output.

## TOWEL RAILS

### Chrome Rails

#### 22mm Curved Rail

- ▶ A curved rail allows more space for towels, and more airflow between the radiator and wall.

Product Code	Width (mm)	Height (mm)	Output $\Delta T_{60^{\circ}\text{C}}$ (BTU)	Price
CTR508C	500	800	1302	£106.00

CTR616C	600	1600	2881	£181.00

#### 25mm Straight Rail

- ▶ A 25mm radiator provides a greater output than the equivalent 22mm rail - around 15% depending on dimensions.

Product Code	Width (mm)	Height (mm)	Output $\Delta T_{60^{\circ}\text{C}}$ (BTU)	Price

**Inspection**

All products must be inspected prior to installation and faulty or damaged goods must be reported within 24 hours of receipt of delivery. In the event that goods are delivered incorrectly or damaged, it is the responsibility of the customer to ensure sufficient time is allowed for a replacement item to be sent.

**Guarantee**

All product guarantees are subject to the following terms & conditions: The product has been fitted/installed in accordance with the appropriate fitting instructions, local bylaws and general good plumbing practice. The guarantee will become invalid if the product has not been maintained and cared for in accordance with the instructions (including regular misuse, neglect, wilful or accidental damage). The guarantees on all products are from the date of supply unless otherwise stated. The guarantee only covers the material structure and not serviceable moving parts that perish due to wear and tear. In the event of the guarantee claim, the liability of the seller is limited to the product supplied and does not extend to consequential loss or damage arising from defective product. The guarantee applies to the original purchaser only and is not transferable. This guarantee does not affect your statutory rights and is applicable in the UK. All products installed in a commercial environment carry a 12 month guarantee.

**Batches**

Please be aware that the following products are manufactured in batches: PVC Wall Panels, Flooring & PVC Ceiling Panels. Whilst there will be minimal shading difference there is no guarantee it will be identical. Batches are there to guarantee continuity.

**Returns**

Goods not used and still held as current stock can be returned to us within 28 days of purchase, provided they are in their original packaging, unused and undamaged with a copy of the original invoice. A restocking charge may be applicable.

**Disclaimer**

The specifications and prices contained within this brochure are for information purposes only and, as our products are continually updated, are subject to change without prior notice. We cannot be held responsible for the use of incorrect dimensions shown for the first fix without the actual products on site. All images shown are representative and are for illustrative purposes only. On occasions the manufacturer may make minor changes to the design of a product, due to this the item/items you may receive may have slight differences to the picture displayed in the brochure.
